Blanket purchase order. I think that is what they call it now. I will ask Shaun.  
Thanks.

What is the BPO? Shaun Burke manages the contract for AED, and there are various technical managers for AED.

Who manages your BPO with ERG? I keep trying to connect with Greg to see if OCE might be able to conduct some compliance report scrubbing for us for NSPS 0000a fugitives monitoring. using your ERG contract. My best guess is it would take about 40 hours. Thanks, in advance.
